

By becoming a member of LOGA, you help fight the anti-industry laws of the state and be "a part of the decisions" that affect your business.

LOGA's goal is to provide Louisiana's oil & gas industry with a working environment that enhances the industry by creating incentives, warding off tax increases, changing existing burdensome regulations, and educating the public and government of the importance of Louisiana's oil & gas industry.

LOGA is Louisiana's Oil & Gas Industry!
