

LOGPAC

POLITICAL ACTION COMMITTEE *of the*
LOUISIANA OIL & GAS ASSOCIATION

The Louisiana Oil & Gas Political Action Committee (LOGPAC) is here to support those candidates who support the oil and gas industry.

The future of candidates who support the oil and gas industry is in your hands!

Businesses today are under the constant threats posed by law suits, big labor and other anti-business groups. To protect against such threats, oil and gas businesses need a large, efficient and unified network working to make their voices heard. LOGPAC will support legislators that believe in the stability and economic security created by the oil and gas industry in Louisiana.

Participation in LOGPAC is open to anyone who is committed to a successful future for the oil and gas industry in Louisiana.

LOGPAC is dedicated to helping you elect candidates in your district who support the oil and gas industry as well as your business agenda. We must have a say in who represents us, and together we can help stabilize the economy in Louisiana.
