125	 <p>HIGH SIERRA ENERGY, LP</p>	High Sierra Energy, LP	<p>Sertco Natural Gas Powered Wellhead Compressor: High Sierra Sertco, LLC offers the free use for 60 days of a Sertco Industries Model 350 natural gas powered wellhead compressor. These mobile, trailer mounted units are superior in helping boost production of natural gas in low pressure fields (discharge up to 220 psi) and work extremely well on older, stripper type oil wells with associated gas. Typical applications have often doubled production of natural gas and/or oil. Delivery and installation is included.</p>	\$5,000	\$3,000
